Traffic Signal Reconstruction on Golf Road at Michael Manor and Washington Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that traffic signal reconstruction will take place at the intersections of Golf Road (Illinois 58) at Michael Manor and Golf Road (Illinois 58) at Washington Road, in Niles, beginning, weather permitting, Thursday, Feb. 11.

Daily lane closures and occasional overnight closures will be necessary to complete the work. The project is scheduled to be completed in Summer 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
